Student Learning Outcomes

- All graduate programs (on campus or DE) will need to have these completed by April 2011

- Assessment of student learning:
 1. Student Learning Outcomes;
 2. Assessment Method;
 3. Results (data summary and interpretation); and
 4. Use of Results for Improving Student Learning.

- Graduate SLOs will evaluate KNOWLEDGE, SKILLS, and PROFESSIONAL BEHAVIOR.
 - Learning outcomes will not be tied to individual courses but rather to the degree program.
